Look out for bargains at R. & J. Atkinson's, St. Charles, the coming season. They have bought their entire stock of goods by the package and in large quantities, and in that way have secured great concession in prices, for which reason they are able to and will sell goods as low as any retail or wholesale house in St. Louis. A careful comparison of prices will satisfy all as to the correctness of the above.

I am now selling best Wright City flour at \$4; other brands best quality, \$3.50. I would inform those indebted to me that I am now placing accounts in the hands of an officer for collection. The money I must have.
